New York, May 18.—The stock market contended successfully against the marked depression of the early dealings and showed increasing strength see the day advanced. Early losses were all retrieved, and the close was fairly buoyant, with a burst of buying or ders in volume and urgency exceeding that for a long time past. Very notable, her gains are shown by a number of the railroad generally are from a fraction to over two points higher. The carly depression had its inception in London, where stocks were sold down shown at the opening here, and the bears were in an agaressive moud with this encouragement, and prepared to continue their cereations against weak probable. The support of a character which has been lacking for severe decline, and when the stock skepan to move upwards the demand from the bears abandoned their of course of its recent severe decline, and when the stock skepan to move upwards the demand from the bears became precipitato.
